Sir

Subject - Microphone - purchase of - Sagar Town Municipality

******

With reference to your letter No L 7668/ML 5-41-45 dated 24th February 1942 on the above subject, I have the honour to forward herewith in original letter No C 27/41-42 dated 1st April 1942 received from the President, Town Municipal Council, Sagar, in the matter and to state as follows -

The necessity for of purchasing the Radio Set and the Microphone for the use of Sagar Town Municipality had already been explained in this office letter No C 797/41-42 dated 25-11-1941, while seeking the sanction of Government to incur the expenditure It may be mentioned that, at the time of installation of the Radio Set in Sagar Town, on 27th June 1941, Messrs Hymashu and Co had sent with their agent a microphone, worth Rs 125/- for purposes of demonstration After testing the microphone, the Municipal Council, Sagar passed a resolution on 30-6-1941 to the effect that the microphone might be purchased and that orders of Government be obtained therefor

The Municipal President States that the Agent of the Firm was requested to leave the microphone in the Municipality for their use on condition that payment for the same would be made on receipt of sanction of Government to the purchase of the instrument

As for the use of the microphone, the Municipal President states that lectures and music taking place in the Town Hall are

being

being broad cast to people outside by means of this instrument Prices of Food-stuffs and War News are also being given wide publicity through microphone every now and then The instrument is being made use of by the itinerant lecturer in connection with the War propaganda work

The Municipal President states that the firm is pressing for payment of the amount, as their claim is pending payment from a long time He requests that sanction of Government might be obtained to the payment of the cost of the microphone viz Rs 125/- (Rs one hundred and twenty five) by re-appropriation from the head A (1) (2) (F), as otherwise, the firm might take legal proceedings against the Municipality The President has however been strictly instructed not to incur expenditure of any kind in future in anticipation of obtaining sanction

In these circumstances I recommend that the request of the Municipal Council Sagar for payment of Rs 125/- towards the cost of the microphone may be kindly reconsidered and that sanction of Government be kindly accorded as a special case

The connected records accompany for favour of reference

I have the honour to be,
Sir,
Your most obedient servant,

Deputy Commissioner,
Shimoga District
